

## Quinsam Capital Corporation Announces Letter of Intent to Provide Second Mortgage Financing To Earn a 30% Equity Stake in ACMPR Application

TORONTO, Jan. 18, 2018 -- Quinsam Capital Corporation (“Quinsam” or the “Company”) (CSE:QCA) is pleased to announce that it has signed a binding letter of intent (“**LOI**”) with two numbered companies to provide financing for a new Access to Cannabis for Medical Purposes Regulations (“**ACMPR**”) applicant.

Pursuant to the LOI, Quinsam will advance a \$1.2 million loan for a period of 12 months at an interest rate of 12%. The loan will be secured by a second mortgage on a 40,000 square foot building in Brantford, Ontario on a 4 acre site. The building is being purchased for approximately \$3 million and Quinsam’s mortgage will be subordinate to a first mortgage of approximately \$2 million. As incentive compensation for providing the mortgage financing, Quinsam will be awarded a 30% stake in a separate company that has made an ACMPR license application incorporating use of the building. Closing of the investments is expected within 30 days.

“We see this as a signature deal for Quinsam” said Roger Dent, CEO of Quinsam. “Our investment risk is mitigated by the mortgage security on the building, which is modern and of good quality. At the same time, we get a large equity stake in the ACMPR application at no additional cost. We are not aware of anyone else who plans to make an investment like this in the Canadian cannabis space.”

The initial 30% stake is likely to be diluted over time as construction of the leasehold improvements is undertaken. There can be no assurance the investment will be completed as planned.
